

COVID-19 UPDATE
Revised Social Distancing Policy
01 April 2020

To our valued customers and partners,

Mansea Metal is a local company and an essential manufacturer of metal products supplying critical infrastructure needs. We are doing everything possible to limit service disruptions while taking all of the necessary safety precautions to limit the spread of COVID-19 in accordance with guidance from government and public health authorities.

We remain open and are ready to serve all of your roll-formed metal product requirements.

In order to better ensure the health and well-being of our customers, employees and their families, we are now further limiting direct social contact by removing public access to our showrooms in Winchester, Kentucky; Mt. Zion, Illinois and Dayton, Ohio.

We ask that you use phone, email or our website to contact us about product questions, estimates, ordering and on-going projects. Once your order is confirmed, each of our facilities continues to have drive-up product loading.

The hours of operation at our production plants are: Monday – Friday, 8:00 am – 5:00 pm.

Kentucky Plant – (859) 744-4475

Illinois Plant – (217) 864-5835

Ohio Plant – (937) 503-2457

If you prefer to contact us via email, please use info@manseametal.com or the email address for your sales representative. Or go to our website, www.ManseaMetal.com, and use the online contact form.

We appreciate your on-going patience and wish you and your family good health and safety.

Tammy, John and Pat
