

STANDING RIB™

Applications:

➤ Commercial ➤ Residential ➤ Agricultural

Standing Rib™ panels from Mansea Metal are designed to have the appearance and durability of standing seam panels at a more affordable cost. This panel is an attractive option for roofing applications as well as post-frame buildings. Standing Rib™ is an exposed fastened product offering 36 inches of coverage. The Sherwin-Williams® WeatherXL™ finish carries a 40-year limited warranty and is available in 22 colors.
